Experience

Sr. Officer- Sales Operations

Akij Essentials (A Unit of Akij Group)
March 2023 to Present

Duties/Responsibilities:

- Managed sales order review, pricing compliance, and approval in line with company policy, credit limits, and stock availability.
- Coordinated with sales, warehouse, distribution, and finance teams to ensure smooth order processing, stock confirmation, timely dispatch, and payment verification.
- Monitored inventory movement, prepared daily delivery schedules, and resolved order and delivery-related discrepancies.
- Prepared daily, fortnightly, and monthly sales reports, forecasts, and SKU-wise demand plans to support management decisions and inventory planning.
- Assisted in sales target setting (channel/territory/SKU-wise) and monitored performance against targets with corrective action follow-up.
- Managed customer credit documentation, outstanding monitoring, and compliance control.
- Calculated and verified sales team incentives based on target achievement and approved incentive policy.
- Provided operational support to the sales team and handled ad-hoc reporting requirements.

Executive- Sales Coordination

City Group
June 2021 to February 2023

Duties/Responsibilities:

- Developed territory and product-wise sales evaluation reports (daily, monthly, quarterly, yearly) to support data-driven planning and performance monitoring.
- Managed field force recruitment, onboarding, payroll processing (salary, incentives, TA/DA, bonuses), performance appraisal, final settlement, and clearance procedures.
- Tracked sales team performance, identified gaps, and ensured corrective actions to achieve targets.
- Calculated and processed field force and distributor incentives as per approved policies and performance targets.
- Oversaw distributor operations including appointment, account settlement, promotional/discount claim handling, and carrying cost management.
- Prepared analytical sales reports and official correspondence to support HOD and strategic decision-making.
- Provided operational support to the sales team and handled ad-hoc reporting requirements.
